2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

The IQAC contributes, monitors and evaluates the Teaching & Learning processes by:

- Augmenting digital infrastructure in coordination with the principal and the Govt. for the promotion of ICT based teaching/learning in classrooms.
- Conducting periodical workshops/competence building programs for faculty members with emphasis on integrating technology in classrooms and developing research aptitude for better academic output in students.

- Encouraging teachers to attend Orientation/Refresher courses for improvement in pedagogical skills.
- Monitoring teacher's performance through students' feedback and advising teachers to take corrective measures if necessary for the benefit of students.
- Monitoring students' performance through results of in-sem exams and taking care of low performers by suggesting the teachers to take some special remedial/tutorial classes for them.

**Criterion – V**  
**Student Support and Progression**

5.1 Contribution of IQAC in enhancing awareness about Student Support Services.

The student support services which the college renders are clearly mentioned in the prospectus including the contact number of coordinator/convener of a particular service. The college administration executes all these mentioned services and the IQAC monitors the quality delivery performance of these services. During Freshers' Social Meet the first semester students in particular are appraised about all the student support services provided by the college.

5.2 Efforts made by the institution for tracking the progression

There is no separate machinery for tracking the progression of students. The semester system has inbuilt mechanism to track the progression of students in exams. While in college the career progression of students is maintained by the Career Guidance Cell and Placement Cell which help students to plan their careers and in the process tracking is done. After passing out from the college the students' progression is maintained partly by the Alumni Association which keeps records of the alumni of the college.

**Criterion – VI**  
**Governance, Leadership and Management**

6.1 State the Vision and Mission of the Institution

**VISION OF THE INSTITUTION** - To establish our self as a leading College, providing higher education of excellence with integrity, consistency and due diligence.

**MISSION OF THE INSTITUTION** - To prepare the future generation with academic excellence and practical skill needed to face national and global challenges and lead the country into the world of the future. In this respect the College endeavors to:

- acquire knowledge and skills in the pursuit of academic excellence aimed at advancement into higher education, research and extension activities.
- work proactively towards individual and group goals within an integrated setting of diverse socio-cultural milieu.
- attain self-reliance through balance of freedom and discipline within the body, mind and spirit.
- promote Social Justice, Empowerment and Inclusive Growth through Education.

6.2 Does the Institution have a Management Information System

No. The institution doesn't have a Management Information System as such. However, all the branches and the departments are computerized and relevant data is managed accordingly. The Academic Branch maintains all relevant information related to students' admission, their category-wise breakup, attendance, stipend, in-semester examinations etc.; the examination cell with the coordination of academic branch conducts examinations in the college and also maintains the result of students; the accounts branch deals with the accounts and money transactions of the institution and periodically accounts are audited; establishment branch keeps record of all office documents and updates the service books; library upgrades its facilities and disseminates the information to the stakeholders for making the best use of library services; different departments keep their relevant information and provide it to the college administration as and when necessary. Some of the information is made available on

the website through AQAR of every year. The whole information system of the college is well-knit and efficiently managed through computers.

### 6.3 Quality improvement strategies adopted by the institution for each of the following:

#### 6.3.1 Curriculum Development

Some of the faculty members of the college are the members of the Board of Under Graduate Studies (BUGS) of the affiliating university (Rajiv Gandhi University). In the meetings of the Board of Under Graduate Studies (BUGS) they contribute in designing and developing the curriculum.

#### 6.3.2 Teaching & Learning

The J N College administration prepares the academic calendar and executes it sincerely. This systematizes the Teaching and Learning process throughout the year and brings quality improvement in Teaching – Learning process. In order to create and enhance the infrastructure that facilitates effective teaching and learning, policies are framed meticulously according to the strength of students in different streams. The strategy is to enhance infrastructure parallel to expanding curricular and extracurricular requirements of students. The institution being a fully Govt. college the development of infrastructure is the sole discretion of the Govt. and thus little is to be done at the institutional level. Nevertheless, the college has huge infrastructure in terms of buildings, books, study materials and also in terms of state-of-the-art modern technological gadgets like smart boards, data projectors, laptops, language lab and other ICT enabled infrastructure so as to impart quality education.

#### 6.3.3 Examination and Evaluation

As per academic calendar of the affiliating university, the college conducts in-semester examinations across all streams. The University End-Semester Examinations are conducted in scheduled time as per the directives of the university. In this way continuous and cumulative examination and evaluation pattern mandated by the university is in practice. However the college has adopted the following important examination and evaluation reforms for the betterment of students:

- In the orientation program for students conducted in the beginning of the academic session every year, the faculty briefing on the examination and evaluation methods is carried out as a mandatory practice.
- As the students are aware that they are being evaluated continuously, good attendance and participation in the class is ensured leading to good performance in exams.
- Quality assessment for the PG students in their Projects / Seminars is done meticulously.
- Regular feedbacks from students are collected and counseling with the help of student representatives is done periodically.
- Field tours are organized and submission of project reports is made mandatory in some subjects.

### 6.3.4 Research and Development

The institution has a Research Cell which maintains the research culture of the institution through motivating the faculty members for carrying research works in the form of Ph.D, research projects, and research publications. The college is bringing out two research journals: (1) 'Arunachal Vision' with ISSN 2321-4201 in English, (2) 'Arunagam' with ISSN 2394-2665 in Hindi. 'Arunagam' has been enlisted in the UGC approved research journal category No. 11409. In addition to these, to promote the students' participation in research the college organizes many workshops, seminars and conferences periodically. The students are encouraged and motivated for paper presentation & Project work. All these activities help to create research attitude among the students. Almost all the students in various programs are made to participate in research through the academic programmes. The science students in particular are guided by the faculty with a personal touch to inculcate the scientific temper in them and show their excellence in their respective subjects.

### 6.3.5 Library, ICT and physical infrastructure/instrumentation

**Library:** For smooth functioning and regular development in library services, the Library Committee is formed. They take decision in all matters related to continuous improvement in library services. The central library of the college houses more than 43,000 books across all the three streams to meet the requirements of teachers as well as students. The library also has Infilibnet and browsing facility to help in reading e-books and e-journals subscribed by the college and retrieve information from the internet for academic purposes.

**ICT:** ICT facilities are made available in all departments through internet leased line and Local Area Networking (LAN). Teachers take help of ICT resources to enrich their curriculum with the help of internet. Laptops are provided to a majority of faculties to prepare digitized curricula materials.

**Physical infrastructure:** The institution is marked for its physical infrastructure sprawling over its two campuses i.e. The Upper Campus and the Lower Campus. The college maintains its own auditorium, outdoor and indoor games infrastructure, branch of rural bank, ATM facility, cooperative society, health services, EDC, Department of Commerce, IGNOU & Distance Education, Alumni Association Office, Guest house, Girls & Boys hostels and Post office in lower campus; and Library, Administrative block, class rooms and exclusive department infrastructure of English, Zoology, Botany, Chemistry, Physics, Education, Mathematics, History, Hindi, Economics, Political Science, Geography and canteen in upper campus;

**Instrumentation:** Science departments maintain and improve their instrument facilities.

### 6.3.6 Human Resource Management

The college administration manages its human resources for delivery of better performance in the following manners:

To cope with the shortage of teachers in a subject, initiative is taken by the Principal by sending requisition to the State Government for the appointment of guest teachers which yields fruitful results;

For better performance of teachers, the institution encourages on-job training development programs such as orientation courses, refresher courses and faculty development programmes;

The Principal calls departmental meetings to evaluate the results and draw the blueprint of the next academic session;

All cells/units/branches/clubs etc. of the college give their summary report in a uniform format about the past academic session and to chalk out plans for the next session;

For implementing new policy, the college administration initiates discussion among stakeholders where the pros and cons of the issues are deliberated upon and finally the modus operandi is formulated for executing the new policy;

For any issue the administration calls for emergency meeting where issues are discussed at length and solution is worked out;

There is full cooperation and coordination of all cells/centers/branches/departments/clubs and individual faculty member in making collective works successful.

### 6.3.7 Faculty and Staff recruitment

The State Government recruits teaching faculty and other staff through the State Public Service Commission. The posting of staff is done usually before the beginning of academic session. The Public Service Commission recruits the candidates after observing all formal and legal procedures. The college doesn't have any autonomy in the appointment of staff.

### 6.3.8 Industry Interaction/Collaboration

The college has signed MOU with Elam Industries, Pasighat, and Zale Industries, Ruksin, East Siang, for industry interaction/collaboration.

### 6.3.9 Admission of Students

The J N College is a government owned institution. The J N College executes the government policy regarding the admission of students *in toto*. The State Government has evolved the catchment area policy for admission in all government owned colleges of Arunachal Pradesh. The catchment area and catchment area norms are clearly mentioned in the prospectus. Further the eligibility for admission to various classes and courses are also mentioned. However 10% seats are open for meritorious students.

6.8 Does the University/Autonomous College declare results within 30 days?

For UG Programmes	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
For PG Programmes	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

6.9 What efforts are made by the University/Autonomous College for Examination Reforms?

In the semester system implemented by the affiliating university there is 20% weightage on in-sem exams and the average marks of best two out of three in-sem exams secured by a student are added to marks secured in the end-semester examination. All the important decisions regarding examination reforms are taken by the university only.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The university doesn't make any effort to promote autonomy in the affiliated college. It is the college which has to take the initiative for getting autonomy by seeking NOC from the Govt. first.

6.11 Activities and support from the Alumni Association

1. Organized one day workshop on social responsibility and good citizenry for students in collaboration with NSS, J N College, Unit and IQAC, J N College, Pasighat.
2. The Alumni Association donated and installed two numbers of wall magazine boards in the Department of Zoology and Botany.

6.12 Activities and support from the Parent – Teacher Association

Parent-Teacher Association has been in touch with parents throughout the session 2017-18 on phone. The Association conducted **Parent-Teacher Meet 2018** on 17-03-2018 and received feedbacks from parents and the same will be incorporated in the work plan for the next session. The parents have been helping the college administration in maintaining a congenial atmosphere in the college. We have observed that such meets have helped students in realizing their dreams. We hope that in future more and more such meets will take place and we shall be able to resolve all the issues of parents and students through this forum.

6.13 Development programs for support staff

No development programme for the support staff could be organized during this academic session due to constraints of time.

#### 6.14 Initiatives taken by the institution to make the campus eco-friendly

1. Flower plantation at upper campus conducted in February, 2018.
2. Mass plantation program organized at upper campus in March, 2018.
3. Plantation program organized at upper campus on 16-04-2018.
4. Cleanliness drive at upper campus organized every month.

20. The construction of a new RCC Boys' Hostel has been undertaken at an estimated cost of Rs.5.00 crore.
21. Infrastructural development has taken place in the form of construction of water reservoir & overhead tank/tower and replacement of old power transformers with the new ones.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study manuals*)

The two Best Practices of the institution are:

- i. Integration of ICT resources into classroom teachings.
- ii. Passionate involvement of college fraternity in community services to inculcate human values among students.

**\* Provide the details in annexure (annexure need to be numbered as i, ii, iii)**

7.4 Contribution to environmental awareness/protection

1. Organised lectures on this issue in the Auditorium during the EVS classes.
2. Created awareness about environmental related issues in Hostel boarders through the wardens.
3. Created awareness amongst students about environmental protection during the social service programs.
4. Organised plantation drive on the campus as a step towards environmental protection and campus beautification.

7.5 Whether environmental audit was conducted? Yes  No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength:

- This is the premier institution of the state.
- The college is situated in its independent campus at a desirable distance from the district township (about 2 kms).
- The campus is full of greenery and it has separate residential campus and academic campus.

- The NAAC accredited the college with B<sup>++</sup> I<sup>st</sup> Cycle and 'A' in 2<sup>nd</sup> Cycle.
- The college is given CPE status by the UGC.
- A good number of alumni stand in Who's Who List of the state.

**Weaknesses:**

- The college lacks autonomy in designing its own curriculum. There is limited freedom to vertical & horizontal mobility in terms of introduction of innovative courses. As a result the college offers basic courses only as mandated by the government and affiliating university.
- Growing number of students' enrolment and so unmanageable rise in teacher-student ratio.

**Opportunity:**

- Opening up of P G programs.
- To engage alumni in the future development plan.
- Initiating faculty exchange program in collaboration with other universities.

**Threat:**

- Poor economic background of the students hinders in introducing the self-finance course.
- Limited number of industries in the locality poses considerable weakness for developing consultancy and providing job opportunities to students.
- Paucity of funds for infrastructural maintenance and its enhancement with the passage of time.

## 8. Plans of Institution for next year

- Opening of B.Ed. Course.
- Organizing faculty development programmes.
- Organizing Skill Development Programmes for support staff.
- Inculcating the culture of seminars among students by organizing seminar in every department.
- Assigning college sponsored Minor Research Project to teachers involving students as field investigators.
- Completion of construction of infrastructural facilities like New Academic Block, Extension of library, New Boys & Girls Toilets, Widening of College Road connecting Upper Campus and Lower Campus, 100 bedded multi-storied Boys Hostel, Rostrum in playground etc.
- Beautification of Upper Campus.
- Renovation of college Auditorium.
- Repairing & maintenance of stairs connecting lower campus & upper campus.

- Upgradation/addition of ICT resources like Computers, Projectors etc.
- Upgradation of internet bandwidth from 4 mbps to 10 mbps.
- Furnishing of newly constructed gymnasium with fitness equipment.
- Organizing programmes towards Corporate Social Responsibility.
- Organizing extension activities for Community development.
- Incorporating feedback based planning for holistic development.
- Providing coaching & guidance to students for competitive examinations.
- Ensuring administrative, academic & financial audit for financial management.
- Organizing programmes addressing gender issues.
- Upholding institutional values to fulfil the vision & mission of the institution.
- Fostering work ethics among staff, discipline among students & unity and integrity among all stakeholders.

### Analysis of Feedback of Parents

Parents' feedback on various issues related to their wards have been collected through a questionnaire supplied to them which contains 15 questions. Every question has four options: Very Good (VG), Good (G), Satisfactory(S), and Below Threshold (BT). After analyzing the data it is found that most of the parents are satisfied with the academic environment in the college, the performance of their children and the way the faculty members contribute to their children's academic growth. The Data in the following table covers all the major aspects of teaching-learning process in the college.

**Parents' Feedback on various issues related to their wards**

Question	Score in percentage (%)			
	Very Good (VG)	Good (G)	Satisfactory (S)	Below Threshold (BT)
1. Discipline in the College	63.1	36.9	0	0
2. Teaching Quality	60.9	34.8	4.3	0
3. Library facility	47.8	47.8	2.2	2.2

**Feedback from students  
(Academic Session: 2017-18)**

Feedback was collected from students of B. A. / B. Sc. / B. Com VI Semester (Major) for all subjects through questionnaire Format-I and V considering them to be more matured in giving responses compared to students of other semesters. There were 124 respondents who responded to the questions in the questionnaire very enthusiastically.

After tabulation of responses of students in Format-I, the average marks of the points given in the questionnaire was determined using the 10 point scale. This is given in the following table.

**Table for Feedback of Format-I**

Particulars	Full Value	Average Value
1. Depth of Course content	10	9.1
2. Extent of Coverage of Course	10	9.04
3. Applicability / Relevance	10	9.1
4. Learning Values	10	9.21
5. Clarity and Relevance of Reading Materials	10	9.1
6. Relevance of additional source material (Library)	10	8.9
7. Extent of Effort Required by Students	10	9.21
8. Overall Rating	10	9.21

Likewise, after tabulation of responses of students in Format-V ranging from Very Good, Good, Satisfactory, to Below Threshold, the percentage of students opting each parameter was determined. This is given in the following table.

**Table for Feedback of Format-V**

Particulars	Very Good	Good	Satisfactory	Below Threshold
1. Academic Content	67.75	29.8	2.45	0
2. Usefulness of Teaching Material	61.3	33.1	4.8	0.8

3. Usefulness of Further Learning	49.2	47.6	3.2	0
4. Timeliness of Practical Work	46.8	50	3.2	0
5. Educative Value of Mid-Program Placement	37.9	58.1	4	0
6. Giving & Getting Helpful Feedback	70.9	28.2	0.9	0
7. Fairness of Evaluation	55.65	41.9	2.45	0
